50th Swiss Probability Seminar

June 6 — 7, 2016

University of Zurich

Organizers: Robert C. Dalang (EPF Lausanne), Ilya Molchanov (University of Bern),
Ashkan Nikeghbali (University of Zurich)

The Swiss Probability Seminar was founded in 1994. This fiftieth edition will take place at University of Zurich, Lecture Hall SOC-1-106, and will be a special celebration for probability theory. It will bring together a select group of distinguished invited speakers.
